### Programme

**Introduction to 'Working Together':** Judy Dean (Clinical Project Manager & Trust Adult Nurse Lead) and John Nicholson (Mental Health Chaplain with the Cambridgeshire and Peterborough Mental Partnership NHS Trust)

**"How to get the best from your Psychiatrist":** Dr Dodwell (Consultant Psychiatrist, Peterborough Assertive Outreach Team)

Working Together has been established as an informal network for over 10 years and this is the first network to be held in Peterborough. The list of organisations involved is extensive and includes the local statutory and voluntary sectors (including service user-led organisations), current and ex- service users, carers and a range of staff working in mental health services.

The quarterly forums are for sharing information particularly about new developments and about innovative practice in Mental Health. We welcome ideas for future topics.
