

# Notice to referring teams and partners of the Cambridge Social Inclusion Team

Cambridgeshire and Peterborough   
NHS Foundation Trust

**The lease on the Cambridge Resource Centre, 47 Norfolk Street Cambridge will run out in January 2010 and will not be renewed. This means that the site will close, including the Café, Arts Studio and bookable rooms.**

**Until that time it will be business as usual.**

The Cambridge Social Inclusion Team will continue to operate and will have an office base elsewhere. We look forward to continuing our work with individuals, partners and referring teams: helping individuals to realise their goals to access and engage in their local communities in work, education, the arts, sports and leisure.

We will continue to work with our existing wide range of partners and plan to widen our scope working with new partners supporting them to offer more socially inclusive opportunities.
