Time: **12-2pm**  
At: **Anglia Ruskin University, Helmore Building  
Room 251, East Rd, Cambridge CB21 1PT**

**Refreshments provided**

Programme: **ALL WELCOME**

**Service User Engagement – Have your say about the future of day services from the 3<sup>rd</sup> sector: Adele McCormack** (Service User Engagement Worker. Adult Mental Health. Cambs)

**Introducing the new Springbank: Specialist ward for women with a diagnosis of personality disorder: a different place** (TBC)

**Patient & Carer Engagement Updates from CPFT: Ian Clift** (Associate Director Patient Experience and Nursing/Patient and Carer Experience Trust Representatives)

**Working Together** is a well established informal network that meets on a quarterly basis and is open to all. No need to book – just turn up.

The list of organisations and individuals involved is extensive and includes the local statutory and 3<sup>rd</sup> sectors (including service user-led organisations), current and ex- service users, carers and a range of staff working in adult mental health services.

The quarterly forums are for sharing information particularly about new developments/changes in local services, topics of interest within mental health and about promoting recovery values and innovation.
